The conformation will be held in one of the rings inside. The floor is artificial turf and you will not be allowed in the rings with stiletto heels, or golf spikes on shoes.

If your dog has an accident then it must be cleaned up immediately with a special spray, which will be available at the outside of the ring.

We will be making 1 large ring from the four large rings available and tarps will be placed on the turf to protect it from chairs and crates. Mats are required to be placed under the crates. There will also be available room on the outside of the rings for crates.
